

Volunteer Coin Project Foundation (VCPF)

Whitepaper: Pay It Forward (PIF) Token

Executive Summary

The Pay It Forward (PIF) Token is a Stellar-based utility token created by the Volunteer Coin Project Foundation (VCPF) to reward volunteers with redeemable digital value. It aims to strengthen communities by incentivizing kindness and service, with PIF tokens redeemable for meals, gas, drinks, and essential needs at participating partners.

Tokenomics

Total Supply: 1,000,000,000 PIF Tokens

Distribution:

- 250M locked to VCPF for humanitarian use
- 250M locked to MeshSync Corp for BlueGrid operations
- 300M allocated to public presale (max 250K per buyer)
- 50M for partnerships & collaborations
- 100M for staking and liquidity
- 50M for nonprofit donations including Choctaw-Apache Tribe of Ebarb, Special Olympics, Goodwill, and more

Transaction Fee Allocation

Until fully backed:

- 100% of fees used to back token with gold and Bitcoin

After fully backed:

- 40% to VCPF operations
- 25% to Choctaw-Apache Tribe of Ebarb

Volunteer Coin Project Foundation (VCPF)

Whitepaper: Pay It Forward (PIF) Token

- 10% to R&D
- 25% to burns and buybacks

Vesting & Unlock Policy

- Early investors may unlock a maximum of 250,000 PIF every 6 months
- Excess tokens remain locked until the next cycle
- Promotes stability and prevents rug pulls
- Unlocks are publicly recorded and emergency overrides require board approval

Founder Integrity & Commitment

Beau Sholar, Founder of VCPF, holds 5,000,000 PIF tokens. These are locked for 10 years to prove long-term commitment. He draws no salary from the foundation. All project efforts are volunteer-led to prioritize mission success over personal gain.

Project Roadmap & Milestones

- PIF token launched on Stellar blockchain
- Tokenomics finalized and published
- Whitepaper and website deployed (VolunteerCoinProject.org)
- KYC system set up with Blockpass
- Firebase volunteer logger & rewards tracker integrated
- Token redemption system and help request portal (in progress)
- App launch for volunteers with gaming and donation features (in progress)
- Expansion of reward partners and sponsor network (in planning)
