

Volunteer Coin Project Foundation (VCPF) Whitepaper

1. Executive Summary

The Volunteer Coin Project Foundation (VCPF) is a nonprofit organization leveraging blockchain technology to reward volunteerism through the Pay It Forward (PIF) token. Volunteers earn PIF tokens for their service, which are redeemable for essential items like food and gas. This initiative promotes sustainable impact through transparency, trust, and real-world utility.

2. Tokenomics & Allocation

Total Supply: 1,000,000,000 PIF Tokens

Token Allocation:

- 25% (250,000,000) - Locked to VCPF for humanitarian use
- 25% (250,000,000) - Locked to MeshSync Corp for BlueGrid integration
- 30% (300,000,000) - Public Presale (tiered pricing)
- 10% (100,000,000) - Staking and Liquidity Support
- 5% (50,000,000) - Partnerships and Collaborations
- 5% (50,000,000) - Donations to Nonprofit Organizations

3. Presale Tier Breakdown

Presale Token Pricing:

- 10M @ \$0.01 (public)
- 25M @ \$0.02
- 25M @ \$0.04
- 25M @ \$0.05
- 25M @ \$0.10
- 25M @ \$0.125
- 25M @ \$0.15

- 25M @ \$0.175
- 25M @ \$0.20
- 25M @ \$0.225
- 50M @ \$0.25

4. Transaction Fee Allocation

Each transaction incurs a flat fee of \$0.01 worth of PIF tokens.

Before the token is fully backed by gold and Bitcoin:

- 100% of fees go toward the Gold and Bitcoin Backing Pool.

After full backing is achieved:

- 40% - VCPF Operations
- 25% - Choctaw-Apache Tribe of Ebarb
- 10% - Research and Development
- 25% - Token Burns and Buybacks

5. Roadmap

Q1 2025: Token creation, website & whitepaper launch, Stellar DEX setup

Q2 2025: Presale launch, GitHub pages setup, domain verification, KYC onboarding

Q3 2025: MVP app development begins, driver and volunteer incentive programs launched

Q4 2025: Full app launch, token staking, community partnerships, tribal outreach

2026: National expansion, mobile app rollout, governance proposals, impact scaling

6. Founder Integrity & Anti-Rugpull Policy

Founder Compensation:

- The founder takes no salary from VCPF.
- 5,000,000 PIF tokens are allocated to the founder, fully locked for 10 years until May 28, 2035.

Vesting & Sale Restrictions:

- Any recipient receiving more than 250,000 tokens will have the excess placed on a 12-month vesting schedule.
- No early unlocks permitted under any condition.
- No wallet may sell or transfer more than 250,000 tokens at a time, even post-vesting.

These safeguards ensure sustainable token value and uphold community trust.
